Dear Chairman Ouyang:

Thank you for your letter informing me of your retirement as Minister and Chairman of the Atomic Energy Council of Taiwan (TAEC) and the appointment of Dr. Shian - Jang Su as Chairman. The Nuclear Regulatory Commission (NRC) looks forward to continuing our relationship with your successor.

I had the pleasure of meeting Dr. Su during the October 2006 American Institute in Taiwan - Taipei Economic Cultural Representative Office (AIT-TECRO) meeting in Chattanooga, Tennessee. I feel certain TAEC will benefit from his experience. I am looking forward to developing a productive relationship with him.

I wish you continued success in your professional endeavors. Please let me know when you will have an opportunity to visit Washington, D.C., as I would enjoy the chance to welcome you to NRC and discuss nuclear safety matters.

Sincerely,
