Public Disclosure of Intent to
Submit a Combined License Application

Reference: Letter, B.L. Shriver to U.S. NRC, "PPL Generation Notification of Intent to
Submit a Combined License Application", dated May 24, 2007.

The purpose of this letter is to notify the NRC that on June 13, 2007, PPL Generation issued a public announcement of our intent to submit a Combined License (COL) application for a new nuclear unit at the current Susquehanna Steam Electric Station site. Accordingly, PPL hereby withdraws our request for the NRC to withhold the information provided in the referenced letter from public disclosure.

If you have any questions, please contact me at (610) 774-7502.

Respectfully,

Bryce L. Shriver
