RE: Amendment to NRC License No: 21-32012-01  
Lansing Cardiovascular Consultants, P.C.

Dear Sir/Madam:

We would like to amend our current NRC license to reflect the following change.

ITEM #1

Please find the enclosed diagram for the additional location of use under the above noted byproduct license.

Lansing Cardiovascular Consultants, P.C.  
3413 Woods Edge Drive  
Okemos, MI 48864

- Please note there will be no use of Xe-133 gas at this facility.
- The Door to the hot lab will be under lock and/or key at all times. Only nuclear medicine technologists and the RSO will have access to the keys and/or combination to the hot lab.
- All sealed sources and radioactive waste will be stored behind lead shielding in addition to the typical lead containers.
- Please note that this facility is not a residence.

Upon receipt of this amendment we will commence receipt and use of byproduct materials at this facility and will follow all conditions of our existing license.

If you have any questions or require additional information, please contact our physics consultants, Sharon Updike at (734) 662-3197 or fax (734) 662-9224.

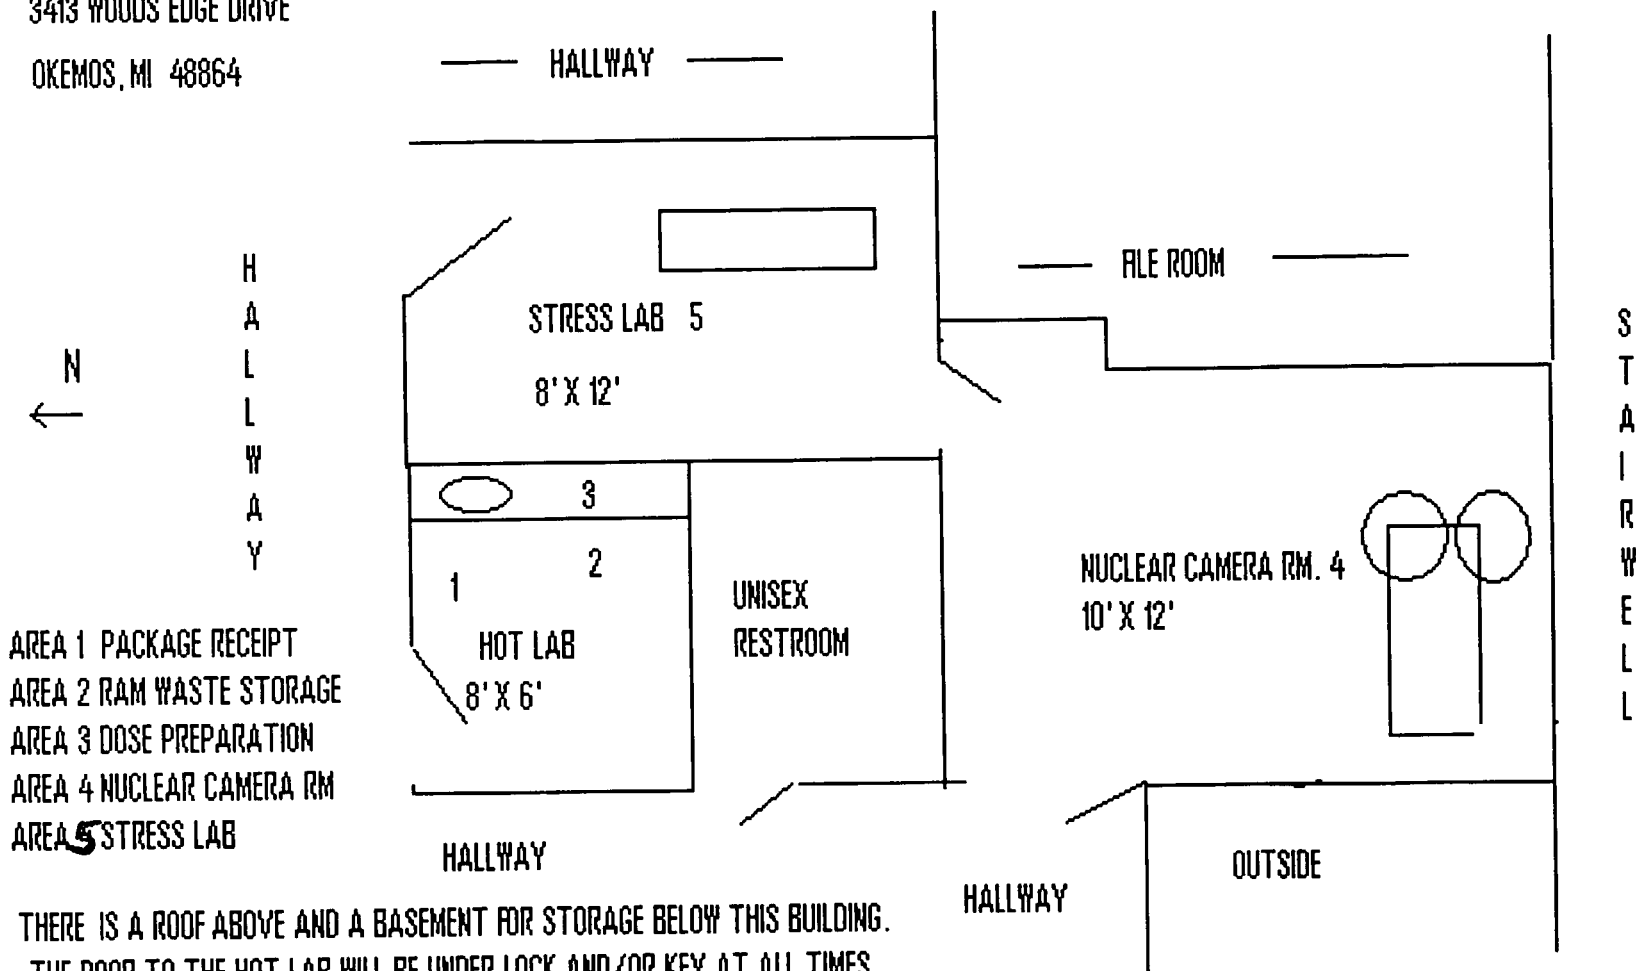

Sincerely,

Smruti S, Parikh, M.D.  
Lansing Cardiovascular Consultants, P.C.
