(NOTE: This will be used as the Documents Title in ADAMS)

Summary: 6/18 I left a message on Ms. Kalb's voice-mail for her to get back in touch with me.

6/19 Ms. Kalb talked to me about how to renew the license. I referred her to NUREG-1556, Vol. 1, Rev. 1 which could be found on the internet in the NRC website. The application would have to be received prior to June 30, 2007, or the license would expire. If that should occur, the license application would be for a new license and additional fees would apply. Ms. Kalb indicated that she would be working on the application today and would have it sent in before the end of the week. I thanked her for her attention to this matter.
