Mr. E. William Brach  
Director, Division of Spent Fuel Storage and Transportation  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Subject: Pre-Application Meeting for HI-STAR 60 Transport Cask Application

Dear Mr. Brach

The purpose of this letter is to request a date for a pre-application meeting for our HI-STAR 60 transportation cask. The HI-STAR 60 is a scaled down version of our dual-purpose HI-STAR 100 cask. It will help complete our transport cask fleet lineup for our U.S. based and overseas customers.

The preferred date for the meeting would be shortly after the July 4<sup>th</sup> holiday.

We appreciate SFST's attention to this matter. Please contact me if you have any questions.

Sincerely,

Stefan Anton, Dr.-Ing.  
Licensing Manager, Holtec International
