Isotopes Branch
Division of Materials Licensing
Washington, D. C. 20545

Dear Mr. Brinkman:

Following your suggestion in our phone conversation of June 28, 1971, this is a request to change the name of the Radiation Protection Officer on two of our licenses. On license applications 47-00260-02 and 47-00260-09, the name currently listed under Item 5 is Mr. Fred Williams. We would like to amend this to read "Dr. Bruce W. DuVall, or in the case of his absence, Mr. C. R. Landfried" on both license applications. Dr. DuVall and Mr. Landfried are currently listed as users on both licenses. Attached are current listings of their training and experience.

Your assistance in this manner will be greatly appreciated.

Sincerely yours,

Measurement & Control Technology
