King of Prussia, PA 19406

J-3

**Re: Response to your correspondence of April 19, 2007**

**Docket#: 03031642**

**Amendment request to our NRC materials License #: 06-28502-01 for the acquisition of a private practice (Westwood Imaging Center) with NRC license**

Dear Mr. McKinley:

This letter should clarify our interest in purchasing and absorbing the NRC licensed practice of:

Westwood Imaging  
40 Dale Road  
Avon, CT 06001

NRC Materials License #: 06-28283-04  
Docket #: 030-30803  
Expiration Date: April 30, 2014

RECEIVED  
REGION I  
JUN 11 PM 12:50

**Item A**

We are purchasing the assets of the Westwood Imaging Center.

**Item B**

The name change will not occur immediately but Avon, Connecticut site will be changed to Jefferson Radiology.

**Item C**

Dr. Marc d'Avignon will be a physician member of Jefferson Radiology and he should be added as an authorized user onto our materials license for the uses identified on the Westwood Imaging Center license.

**Item D**

No other changes for the licensed activities carried out at the Avon, Connecticut site are expected.

**Item E**

Jefferson Radiology confirms that it will exercise control of the practice, accept the transfer of Westwood Imaging's materials maintained under license No. 06-28283-01 as is and will thereafter maintain and be responsible for the surveillance programs proscribed by the NRC.

**Item F**

The Avon, Connecticut site will not be decommissioned.

**Item G**

The Westwood Imaging Center will be operated with the radiation safety program that is presently in effect at Jefferson Radiology, and, the Jefferson Radiology RSO will supervise the continued activities at the Avon, Connecticut site. Jefferson Radiology confirms that it will abide by all constraints, conditions, requirements and commitments of Westwood Imaging as they relate to the licenses.

Should you have any questions or desire additional information regarding our private, nuclear medicine imaging office, please contact me or Dr. Ronald J. Rosenberg at 860-246-6589. We look forward to a continued safe and effective materials program. Thank you.

Respectfully submitted,

Mark Grossman  
Chief Executive Officer

Re: Acquisition of a private practice (Westwood Imaging Center) with an NRC license. Amendment request to our NRC Materials License # 06-28502-01

03031642

Dear Sir or Madam:

This letter serves to notify your offices of our interest in purchasing and absorbing the

NRC licensed practice of:  
Westwood Imaging Center NRC Materials License # 06-28283-01  
40 Dale Road Docket # 030-30803  
Avon, CT 06001 Exp. Date: 04/30/2014

Marc B. d'Avignon, MD, the sole authorized user, has agreed to sell his practice to Jefferson Radiology. We expect to execute the transfer of assets on June 1, 2007. Secondly, Dr. d'Avignon will be a physician member of Jefferson Radiology and he should be added as an authorized user onto our materials license for the uses identified on the Westwood Imaging Center license. We need your agency to review and approve of our plans so that we may proceed to absorb the practice.

Should you have any questions or desire additional information regarding our private, nuclear medicine imaging office, please contact me, or, Dr. Ronald J. Rosenberg at 860-246-6589. We look forward to a continued safe and effective materials program. Thank you.

Respectfully submitted,

Mark Grossman, CEO

c: M. d'Avignon, Westwood Imaging Center
