JUN 19 2007

Martin W. Johnson, M.S.
Radiation Safety Officer
Edward W. Sparrow Hospital
1215 East Michigan Ave.
Lansing, MI 48909

Dear Mr. Johnson:

Enclosed is Amendment No.104 to your NRC Material License No. 21-01430-01 in accordance with your request. Please note that the changes made to your license are printed in **bold** font including the addition of license condition no. 19.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please be aware that the certain possession limits identified on your license will require you to implement the requirements in the Security Order for Increased Controls (Order) as indicated on the NRC web site at the following location,

<http://www.nrc.gov/reading-rm/doc-collections/enforcement/security/index.html>.

NRC's Regulatory Issue Summary (RIS) 2005-31 provides criteria to identify security-related sensitive information and guidance for handling and marking of such documents. This ensures that potentially sensitive information is not made publicly available through ADAMS, the NRC's electronic document system. Pursuant to NRC's RIS 2005-31 and in accordance with 10 CFR 2.390, the enclosed license document is exempt from public disclosure because its disclosure to unauthorized individuals could present a security vulnerability. The RIS may be located on the NRC Web site at: <http://www.nrc.gov/reading-rm/doc-collections/gen-comm/reg-issues/2005/ri200531.pdf> and the link for frequently asked questions regarding protection of security related sensitive information may be located at:

<http://www.nrc.gov/reading-rm/sensitive-info/faq.html>. A copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in black ink, appearing to read "Toye L. Simmons".

Toye L. Simmons
