### MESSAGE

Please see accompanying documents.

### NOTICE

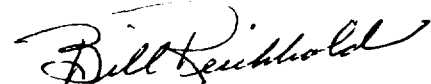

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank you.

The following additional information is needed to complete the review of your request.

1. Please submit a history of all radionuclides (including sealed sources) used at your facility located at 2486 Nerredia, Suite E, Flint, Michigan.
2. Please submit a current copy of the leak test results for the sealed sources used at your "old" facility. Also a history of leaking sealed sources (if any). If there were no leaking sealed sources, please state so. Please specify the location where the sealed sources were transferred to.
3. Please specify the name of the person performing the close-out survey.
4. Please specify the background readings for the close-out survey wipe tests.

Please send a facsimile of your response to the above within 7 days and refer to control 316136. Please call me at 630-829-9839 if you have any questions.
