Dear Whomever it may concern:

I am writing this letter to request an ammendment to our two licenses. In the past Mr. Perry Fan served as radiation safety officer, but has since left our company. I would like to request that Mr. Fan's name be replaced by the name of Mr. Tim Deckman. Mr. Deckman received the same certification training from RAM Services as Mr. Fan on January 9-11th 2007 and I am including a copy his certificate of training.

I would like our two licenses to be ammended so that the name Tim Deckman replaces the name Perry Fan wherever it may occur on the license. I would like that this ammendment be applicable to both of Montesino Technologies's licenses. These licenses are numbered 07-30963-01 and 07-30963-02G. Thank you very much for your assistance in this matter.

Best regards,

Peter Schmitt
