Address & Program Coordinator change

Effective July 1, 2007, the Arkansas Department of Health and Human Services will be separated into two separate entities: the Arkansas Department of Human Services and the Arkansas Department of Health. This reorganization has brought about a change in mailing address for the Arkansas Department of Health's Radioactive Materials Program.

**The new mailing address will be the following:**

*Arkansas Department of Health  
Radioactive Materials Program  
4815 West Markham, Slot H-30  
Little Rock, AR 72205*

**Please address all future correspondence to the above address.**

**Correspondence delivered by courier service should be delivered to the following physical address:**

*Freeway Medical Building  
Radioactive Materials Program, Suite 108  
5800 West 10<sup>th</sup> Street  
Little Rock, AR 72204*

**Please note that the phone and fax number for the Radioactive Materials Program will remain the same: (501) 661-2173 (phone) and (501) 661-2849 (fax).**

This Information Notice also serves to inform you of the change in Agency Program Coordinator for the General License Program. The new Program Coordinator is Steve Mack, if you should have any questions regarding this notice, or the General License Program please contact him at the new address contained in this Information Notice or at (501) 661-2173.
