SUBJECT: CERTIFICATE OF COMPLIANCE NO. 9297 FOR THE MODEL NO. TRAVELLER PACKAGE: Submission of Revision 6 to the Safety Analysis Report (SAR) - Supplement

Dear Mr. E. William Brach:

An application request dated September 26, 2006, (Our ref: UAM-NRC-06-011) was submitted for the Certificate of Compliance No. 9297, Model Traveller shipping package. This request included information about packaging components used to secure the contents and revision to the Application for Certificate of Compliance to describe the new packaging components.

At the time of the submittal engineering drawing(s) for package approval were being modified to add details for the new packaging component. The description of the changes to the drawings and proposed wording for the Certificate of Compliance were included in the original submittal as enclosures 2 and 3. Note that all sheets of the drawing number 10004E58 show a change from revision 3 to revision 4 as required by our engineering procedures. The drawing changes that describe the new packaging components only affect sheets 1 and 7. This supplement submits the approved engineering drawing 10004E58 Rev.4 (Sheets 1-8) as enclosure 1.

Please direct any questions to Peter Vescovi at (803) 647-3167.

Sincerely,

Peter J. Vescovi
