**Subject:** Draft response to RBS RAI

Bhalchandra,

I have attached a draft response to the RAI concerning use of the EXEM BWR 2000 LOCA methodology at RBS. Last Friday's phone call regarding clarification of the RAI questions was interrupted before all of the NRC's questions were clarified. Please review the attached draft response and let me know if we need to continue the phone call discussion. Please note that the information is draft only and has not been certified or approved by Entergy management.
