Dear Mr. Null:

June 18, 2007

The radiation treatment facility at JMH Cancer Care Center is owned by the Scott Radiological Group. The difference in names is not reflective in a change of ownership of the facility or the NRC license. If further clarification is necessary please do not hesitate to contact me.

Thank you for your assistance in this matter.

Sincerely yours,

A handwritten signature in black ink that reads "T. O'Leary".
