Summary: In a letter dated 6/8/07, a preceptor authorized user requested the addition of Dr. Herrmann as an AU of 35.200 materials to the license. The information contained in the letter did not include all of the information that would be provided on a completed 313A. Also, the request was not signed by a member of the licensee management.

I spoke to the licensee's consultant, Mark Perna to request that he have the licensee provide the information on a Form 313A so that we can verify all of Dr. Herrmann's t & e. M. Perna will discuss with the licensee and get the information to us ASAP.
