Summary: In the letter dated June 4, 2007, the licensee stated that they would be making changes to the layout of their Nuclear Medicine Department. I spoke to Ms. Provoznik to understand what the licensee intended to change in the department. According to Ms. Provoznik, the only thing that is changing in the layout is that they are switching cameras and adding a new camera room.

6/26/07 - I spoke to M. Liddington to confirm the information provided by Stacey Provoznik.
