The reviewer spoke to a Roxanne, receptionist for the clinic at Heart and Wellness Institute on June 19, 2007. The applicant is requesting the NRC fax their new NRC license, however, this licensee needs a prelicensing site visit. Roxanne was told that NRC is coordinating a site visit as ASAP. The clinic should be informed as to the progress of the scheduled site visit.

Clinic phone is 616-340-7099.
