Dear Ms. Ullrich:

Along with this letter, I am faxing invoice number 4870 from Solutient Technologies for waste packaging for the Barnwell, South Carolina shipment for the amount of \$12,774.25. This is part of the cost associated with Waste Packaging/Transportation-Barnwell waste located in the PRICING section of the "Proposal, Tritium Waste Characterization" that was prepared by Solutient Technologies that was sent to you on April 18, 2006. Would you please fax or email the authorization to take the money out of the escrow account to pay the above invoice. Your expeditious reply would be appreciated.

I am also summarizing what was paid to date in relation to the pricing supplied by Solutient Technologies located in the "Proposal, Tritium Waste Characterization" report that was sent to you on April 18, 2006.

There were 3 invoices for waste characterization that totaled \$40,905.00. The estimate from Solutient was \$39,455.00 with analytical charges not included in that price. One of the above invoices had analytical charges of \$1,450.00.

The burial cost for the waste going to Barnwell, South Carolina was estimated at \$202,000.00. The actual cost was \$282,273.71.

If you have any questions, please get in contact with me.

Very Truly Yours,

Larry Harmon,
General Manager
