Re: Clarification of license Item 10.

June 27, 2007

Dear Mr. Thompson,

With reference to Item 10 of our license, the Ridgefield-Danbury town line cuts through our 300-acre campus. However, the Company mailing address for all of the buildings on campus is as stated in item 2 of our license (Ridgefield, CT) irrespective of whether they are physically located in the Ridgefield or Danbury portions of our property. For this reason, Schedule A of our standby trust agreement lists only the Ridgefield address under "address of licensed activity."
