Hi Dennis,

Hope your travels went well.

We will be submitting revised DFPs for both the DuPont Experimental Station (07-00455-02) and the DuPont Stine-Haskell Research Center (07-13441-02). We will be utilizing a third-party vendor to develop the cost estimates using the worksheets in NUREG-1757, Vol. 3: Consolidated NMSS Decommissioning Guidance. The goal is to have the our Program information to the vendor and complete the worksheets in July 2007. We are anticipating submission of the DFPs in September 2007. If I have any additional questions, may I contact you?

Also, we did receive our amended license in mid-June.

Thank you for your assistance!

Mike
