RE: Termination of Brachytherapy Program

License # 37-05371-02 03003048

To Whom It May Concern:

This letter is to inform the U.S. Nuclear Regulatory Commission that Uniontown Hospital has discontinued its Brachytherapy Service. We shipped our Cs₁₃₇ sources to Barnwell, SC via ADCO services of Chicago, IL. The Decommissioning Survey was performed by Daniel A. Berkley, our Consulting Physicist. Further documentation available upon request.

In addition, during our recent NRC inspection on May 1, 2007, it was noted by the Health Physicist, Richard W. McKinley, our records indicate Becky Volk as Administrative Director. Please change records to reflect Rosemary Parker as the current Administrative Director and forward all correspondence to me.

Sincerely,

Rosemary Parker, RT (R) (CV)
Administrative Director, Diagnostic Imaging
