SUBJECT: REQUEST FOR A TRANSCRIPT OF THE JUNE 27, 2007, PUBLIC MEETING
WITH FIRSTENERGY NUCLEAR OPERATING COMPANY REGARDING THE
NRC's MAY 14, 2007, DEMAND FOR INFORMATION

Dear Ms. Garde:

I am responding to your June 28, 2007, letter in which you requested a transcript of the June 27, 2007, public meeting between the Nuclear Regulatory Commission (NRC) and FirstEnergy Nuclear Operating Company (FENOC). The purpose of the public meeting was to discuss FENOC's response to the NRC's May 14, 2007, Demand for Information. The NRC did not transcribe or record this public meeting. This is consistent with our normal practice for conducting a Category 1 meeting held with a licensee as described in the NRC's May 28, 2002, Policy Statement, "Enhancing Public Participation in NRC Meetings." However, a summary of the meeting is being prepared and will be publicly available in the NRC's Agencywide Documents Access and Management System (ADAMS).

Sincerely,

/RA/

Cynthia A. Carpenter, Director
Office of Enforcement

cc: Richard Miller, Investigator
Oversight and Investigations Subcommittee
of the House Energy and Commerce Committee

Mr. David Lochbaum
Union of Concerned Scientists

FOIA/Privacy Act Officer
U.S. Nuclear Regulatory Commission
