---

Yes. I confirmed with Mike M that the SDMP incorporates SIL 644, and will also incorporate BWRVIP-139 after NRC review and approval. If the NRC does not approve BWRVIP-139, we will continue with the current SDMP (SIL-644).

Mike

Does the VY Steam Dryer Monitoring Plan incorporate GE-SIL-644? I know the BWR Vessel Internals Program does, but not clear on the SDMP.
