Subject: Docket No. 50-482: Revision to Commitment Due Date

Gentlemen:

Wolf Creek Nuclear Operating Corporation (WCNOC) responded to the NRC requests for additional information related to Wolf Creek Generating Station (WCGS) License Renewal Application in Reference 1. WCNOC committed to provide a July 20, 2007 Amendment to the License Renewal Application (LRA) for the changes discussed in the response.

WCNOC respectfully requests that this commitment date be revised to August 31, 2007. WCNOC committed to provide an amendment to the LRA on August 31, 2007 in Reference 2. Combining the commitments improves efficiency and minimizes the number of Amendments to the LRA.

Attachment I provides the revised commitment.
