Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Request for Additional Information
Summary:	I left a message with the receptionist for Dr. Singal to call me about the licensee's request to amend the license. 15:45 Dr. Singal returned my call. He informed me that the request was to change the mailing address and not the location of use. There were changes in the location of use documented in the request but the address of the location of use remains the same. I confirmed that the location of use was new construction and therefore was not occupied by another NRC licensee. I thanked Dr. Singal for the information.
