Ref: N.R.C. material license #29-09701-01 AMENDMENT REQUEST

Gentlemen/Women:

03002522

Please amend our Nuclear Material License #29-09701-01 to include

1. Adnan F. Danish, M.D. as Authorized User for the material and use issued in 35.300; 35.400, Iodine 125 for use in the GliaSite RTS System, and Yttrium 90 instrument calibration.
2. Zheng Jin, M.S. as Authorized Medical Physicist for Strontium 90 ophthalmic sources for physical decay calculation and calibrations.
3. Cs-137 Micrad and tube sources will not be used for LDR brachytherapy. These sources will be inventoried quarterly but not wipe-tested. If it is desired to use these Cs-137 sources clinically, the sources will be wipe-tested before first clinical use.

The Radiation Safety Committee at Riverview Medical Center at Red Bank, New Jersey has already approved Adnan F. Danish, M.D., Zheng Jin, M.S. and issues on Cs-137 sources as proposed.

A copy of letter from the American Board of Radiology which mentioned that Dr. Danish is certified in Radiation Oncology and a copy of Ms. Jin's Certificate of American Board of Radiology are attached. Ms. Zheng Jin is already listed on NRC material licenses #29-20690-01 as Authorized Medical Physicist to handle Iridium-192 in a High Dose Rate Remote Afterloader Unit for calibrations, spot checks, and training

Please do not hesitate to call Dr. Keunchul Lee, Medical Physicist at 732-450-2630 or e-mail him (klee@meridianhealth.com) should you need any additional information.

Sincerely,

Robert Wold, M.D.
Radiation Safety Officer

Adnan F. Danish, MD

Dear Dr. Danish:

I am pleased to inform you that you passed the oral examination held on June 3-6, 2007. The American Board of Radiology grants you its Certificate in Radiation Oncology. This is a ten-year time-limited certificate. In addition, because you received the appropriate training to make you AU-Eligible, you will receive the AU-Eligible designation on your certificate.

The certificate will be sent to the above address in approximately three months from our printer, Jim Henry, Inc. Your name will appear on the certificate as shown above. If you wish your name to appear differently or you have an address change, please notify the Board office in writing by July 05, 2007. Your name and demographic information will be included in a Directory published by the American Board of Medical Specialties. It is your responsibility to notify other local and state or national organizations of your certification.

Important information about your Maintenance of Certification process is enclosed. Please review it and respond as requested.

Personally and on behalf of the Board of Trustees of The American Board of Radiology, I wish to congratulate you for this distinguished achievement. You have accomplished one of the most significant milestones in your career.

Sincerely,

Robert R. Hattery, MD
