DJ,

Something is wrong with the file in ADAMS. I don't know why it is not working. Attached is the completed file that needs to be concurred upon and dispatched. Let me know if you are able to access the file. I tried checking it out and did and when I tried to check it back in, everything failed.

The document has been placed into ADAMS, number ML071770619. You have author rights to the document. Please let me know when you have you finished putting the agenda in.

Thanks  
DJ

Tony,

Another rush assignment. Please add the attached meeting notice to ADAMS **today** so that I can make sure it gets dispatched tomorrow. The deadline for getting the meeting notice out is COB tomorrow. The meeting notice is incomplete (its missing the agenda) but I will add that in tomorrow. In the mean time lets get it into ADAMS today. Attached is the file and 665 form. Thank you.

Christian
