Re: License Number: 45-30986-01  
Encl: Completed NRC Form 314

Dear Mr. Parker:

Please terminate the above referenced license. This license was requested to enable APS to work on a Navy portable chemical agent detector. However, the Navy has recently removed this detector from service. No radioactive materials have ever been procured or possessed under this license.

Thank you for your assistance and cooperation. It has been a pleasure working with you.

Sincerely,

*Ed Kessler*
