**INVISTA S.à r.l. Seaford Site
Amendment to Materials License Number 07-03744-01**

Dear Ms. Johansen:

INVISTA S.à r.l. is requesting an amendment to its Seaford site's U.S. Nuclear Regulatory Commission Materials License Number 07-03744-01 to identify Elizabeth P. Link as the Site Radiation Safety Officer.

Steve Ferree is currently the Site's Radiation Safety Officer. Ms. Link was on temporary leave from the site for the first part of 2007. The site designated Steve Ferree as the Interim Radiation Safety Officer while Ms. Link was on leave. The site has also requested that the Delaware Division of Public Health designate Ms. Link as the Seaford Site Radiation Safety Officer for Delaware X-ray Registrations 1423 and 2136BIS.

Ms. Link has successfully completed the training described in Criteria in the section entitled "Radiation Safety Officer" in NUGEG-1556, Vol. 4, "Consolidated Guidance about Materials Licenses: Program-Specific Guidance about Fixed Gauges Licenses," dated October 1998. She previously held the role of Site RSO from December 16, 2005 through November 21, 2006, when Mr. Ferree was named Interim RSO in preparation for Ms. Link's leave.

Please contact Lisa Link at (302) 629-1086 if you have any questions pertaining to this request.

Sincerely,

Michael A. Terry
EHS Manager
