Subject: Diablo Canyon Spent Fuel Facility

To Whom It May Concern:

I am a resident of San Luis Obispo and strongly urge you to give careful consideration to the concerns of Mothers for Peace regarding the recent Environmental Assessment and Draft Finding of No Significant Impact Related to The Construction and Operation of The Diablo Canyon Independent Spent Fuel Installation.

Like many residents of this county, I am very worried about the continued operation of this nuclear facility, in light of new serious risks (seismic and terrorist) to the integrity and safety of this nuclear plant and its storage casks in particular.

Please take our concerns seriously.

Sincerely,
Marina Bethlenfalvy
