Document_Title: NUREG-1556 Vol. 13, Rev. 1
Consolidated Guidance About Materials Licenses
Program-Specific Guidance About Commercial Radiopharmacy Licenses

Comments: I found rev. 0 of this document to be extremely useful in teaching nuclear pharmacy students, but only after I added bookmarks.

1. Please, for this an all future NUREGS, take the time to implement Bookmarks in Adobe Acrobat. Depending on how the document was generated, you may be able to do it automatically.

2. Also, please create hyperlinks throughout the document, e.g., the Contents, lists of tables & figures, etc.

Thank you for your attention to this request.
