**SUBJECT:** Application for a Certificate of Compliance for the TRUPACT-III Shipping Package, Revision 0, Docket No. 71-9305

Dear Sirs:

Packaging Technology, Inc. hereby submits this application for a Certificate of Compliance (CofC) for the TRUPACT-III shipping package. Included within this application are nine sets of the following documents:

- Safety Analysis Report (SAR). Eight paper copies are provided in three ring binders, and one copy is provided on electronic media.
- TRUPACT-III Authorized Methods for Payload Control (TRAMPAC). Eight paper copies are provided in three ring binders, and one copy is provided on electronic media.
- TRUPACT-III Payload Requirements Exemption (PREx). Eight paper copies are provided in three ring binders, and one copy is provided on electronic media.

The electronic copy is contained on one CD in an envelope labeled, "TRUPACT-III Docket 71-9305 Electronic Copy of Documents". The CD contains the following files:

- TRUPACT-III SAR, Complete, Rev 0.pdf (SAR)
- TRUPACT-III TRAMPAC, Rev 0.pdf (TRAMPAC)
- TRUPACT-III PREx, Rev. 0.pdf (PREx)

In addition, each document set (including the electronic copy) includes the following electronic media:

- One DVD-R containing finite element analysis files as part of Appendix 2.10.5;
- One CD-R containing thermal analysis files as part of Appendix 3.5.1.

Therefore, the electronic copy of the submittal contains a total of three discs, and each paper copy contains a total of two discs, in plastic slipsheets in the rear of the binder. A breakdown of the contents of each CD and DVD is provided in Attachment A to this letter.
