Subject: Draft Fiscal Year 2009 Long-Term Research Plan--CNWRA Comments

Dear Dr. Lui,

In response to the May 16, 2007 request from Brian Sheron to Budhi Sagar, the subject comments are provided for your information and use. Our comments are organized in three categories. In addition to providing comments in the two areas specifically requested, we offer a few broader suggestions about the plan for your consideration.

We appreciate this opportunity to comment, and trust that the comments are useful in both the public meeting and in the process of revising the subject plan. Neither Budhi nor I will be able to participate in the planned June 1, 2007 public meeting on this subject.

Please contact Budhi Sagar at 210.522.5252 or me at 210.522.5158 if you have any questions on this matter.

Wes Patrick
