RE: License Amendment

Dear License Reviewer,

03003132

Please amend our Material License (# 37- 11144-01) effective immediately to reflect the following:

The stress test suite was relocated to a new area as indicated on our enclosed drawing.

Enclosed is the closeout survey after the equipment was relocated.

We have included the new suite in our daily and weekly survey.

If you have any questions, please contact our consultant radiation health physicist, Jack A. Olley, of Walter L. Robinson and Associates at 610-873-2790 voice mailbox # 3 or (717) 468-1400 cell phone or email him at: jaolley@verizon.net.

Sincerely,
