SUBJECT: FUNDAMENTAL NUCLEAR MATERIAL PLAN UPDATE

Westinghouse Electric Company, LLC (WEC) hereby submits a revision of the Fundamental Nuclear Material Control Plan for the Columbia Fuel Fabrication Facility. This revision incorporates previously discussed changes with members of the NRC staff as well as minor administrative and general updates. The changes are identified by marginal lines, with descriptions of the changes identified in the revision record. This revision does not decrease the effectiveness of the plan and is processed in accordance with and pursuant to, 10 CFR70.32(c).

Westinghouse requests that the enclosure to this letter be withheld from public disclosure in accordance with 10 CFR2.390(d).

If you have any questions or comments regarding the details of this plan revision, please contact me at (803) 647-2045 or Mr. Rod Likes at (803) 647-3553.

Sincerely,

Gerard F. Couture, Manager, Licensing and Regulatory Programs
