Ms. Beardsley,

Attached are the leak test data you requested for the two N63 sources covered by our license (No. 01-25393-03). These units were taken out of service in late April of 2006 and transferred to the U. S. Army (license No. 19-10306-01) in late October of 2006.

Is this submittal satisfactory, or do I also need to fax the results per your instructions below?

Thank you and please call or return email with any questions.

Mr. John Newton:

Please submit latest leak test results for the Ni-63 source, if these were required to be tested; if not, please specify why they were exempt from leak testing. You can fax this information to my attention at 610-337-5393 and be sure to put this control no. on your correspondence: Control No. 140557. Thank you for your attention to this matter
