Re: License # SUB-1590
Docket or Reference # 04009065
Inspection # 2007001

To whom it may concern,

Our company, Oncology Services International, just completed a license review inspection by Todd Jackson from your office. During our meeting and inspection it was found that an addendum should be made to our license to correct an error in wording.

Specifically, item 11.A. should read: "Licensed material shall be used by, or under the direction of Kenneth Kopecky."

I would like to request that this addendum be expedited and our license modified as soon as possible.

Regards,
Glenn Davis
