Desc: June 19, 1992 SECY 92-223 from Staff to Commissioners Staff recommends:
"Retain the staff's current policy on requiring no specific backfit of the GDC to plants whose construction permits were issued before May 21, 1971, the effective date of the GDC rule. Issue no exemptions for deviations identified in the SEP.
Continue to document the resolution of similar deviations for other plants in this situation in SER's and other appropriate licensing documents."
Please provide a copy of the "staff's current policy" in effect at this time.
