RE: Nuclear Imaging Group Inc.
License No: 37-30868-01
Mail Control # 14325

Dear Rebecca,

I am writing on behalf of the Nuclear Imaging Group, in regard to their desire to add mobile veterinary nuclear imaging for small animals and equine. Please find enclosed a copy of an e-mail I received in my Clarks Summit office.

The Nuclear Imaging Group is currently NRC licensed, however this would expand their capabilities. It is my understanding that they are working with Region I in King of Prussia, PA.

Any assistance you can offer in expediting this process would be greatly appreciated. Should you have any further questions or concerns, please contact Joseph Fabricatore of my Clarks Summit office at 570-585-9862.

Thank you for your time and attention in this matter.

With best regards, I am,

Sincerely,

Christopher P. Carney
Member of Congress

Bob:

Nuclear Imaging Group Inc.

License No. 37-30868-01

Mail Control No. 14325

Amend current license to add mobile veterinary nuclear imaging studies for small animals and equine.

The person who I'm dealing with out of Region 1, King of Prussia is Tom Thompson.

Joe

My partner handled this
and we have supplied info.

Several times. We are NRC-licensed
to provide Nuclear cardiac services
for Lacka. Medical Group patients
currently. This expands our
capability. I could use a break
on this. Thanks. Bob
