Re: Amendment to NRC License 45-09358-02 to add AU for Y-90 Sir-Spheres

Dear Ms. Gabriel:

We wish to add **Dr. Jane Grayson** as an Authorized User (AU) for Yttrium-90 SIR-Spheres. Dr. Grayson is a Radiation Oncologist certified in Radiation Oncology by the American Board of Radiology and is currently authorized as a user of Section 35.400 materials (manual brachytherapy) and Ir-192 for HDR procedures. We commit to vendor training in the procedure for Dr. Grayson.

Your consideration of this request and any expedition of the process will be appreciated.

Sincerely,

Kathy Barry, COO
