**7/6/2007:**

Welcome to the second edition of the Official Website of the Township of Lacey. The Municipal Clerk's Office has spent numerous hours and energy to produce this site which we hope will provide our residents, various businesses and visitors to the community with information regarding the township.

Our website offers a view into Lacey's History, the services provided which include the community and service organizations within the township, description of our beautiful parks and activities available in each of them, as well as the many facets of our governing body.

One of the most recent additions to the website will be the opportunity for citizens to access the laws by which our form of government is based and how it operates on a daily basis. Some of the new features will include the posting of introduced ordinances and the introduction of the budget for FY07 for review by our residents. You are invited to express your opinions regarding information posted on the website, during the public comment portion of our bi-weekly meetings held on the 2nd and 4th Thursday of each month.

The Township Committee and I hope to continue our tradition of effectively communicating with our residents and that you visit our website frequently.
