August 26, 1957

Mr. C. H. Hetherington
Atomic Energy of Canada Limited
Commercial Products Division
Post Office Box 93
Ottawa, Canada

Reference: H-425/57

Subject: LICENSE NUMBER 47-260-4

Dear Mr. Hetherington:

In answer to your inquiry of August 12, 1957, the subject license was issued to the Carbide and Carbon Chemicals Company, South Charleston, West Virginia, on June 3, 1957. The license covers possession and use of 1200 curies Cobalt 60 as AECL sealed source, catalog Number KCP-1.

The issuance of the license does not imply an unconditional approval of the sources for underwater use.

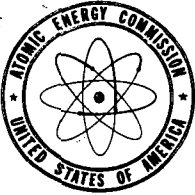

Very truly yours,

James W. Hitch
Assistant Chief
Byproduct Licensing
Isotopes Extension
Division of Civilian Application

United States Atomic Energy Commission,
OAK RIDGE, Tennessee.

Dear Mr. Hitch:

Further to my letter of June 13/57 we have not received any further information as to whether or not the ~~Carbide & Carbon Chemicals Company~~ authorization has been approved. We were wondering if you had had time to view the application in light of the information provided in my letter on our cobalt pencils. Any information that you could give us would be greatly appreciated.

Yours very truly,

C. H. Hetherington

Works Manager.
