REGION I

Dear Licensing Assistant,

Vermont Radiologist is submitting the following information for licensure amendment.

Our facility would like to add Dr. Daniel Foder to our license. Enclosed are his credentials.

Also, requesting to add Dr. Robert Michael Smith to Vermont Radiologists' license. Dr Smith is currently on the following license:
Northeastern Vermont Regional Hospital, Inc.
PO Box 905 St. Johnsbury, Vermont 05819
A copy of their license has been included with letter.

If there any need for additional information the following person is the contact person:

Joy Cayea RTR,RTN

15. Except as specifically provided otherwise in this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the documents, including any enclosures, listed below. This license condition applies only to those procedures that are required to be submitted in accordance with the regulations. Additionally, this license condition does not limit the licensee's ability to make changes to the radiation protection program as provided for in 10 CFR 35.26. The U.S. Nuclear Regulatory Commission's regulations shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.
