Re: Amendment to NRC License No. 29-30723-01

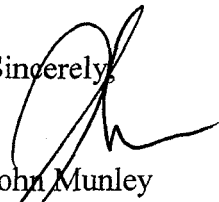

Dear Sir/Madam:

We need to amend our license because of a change in Radiation Safety Officer and authorized users.

Drs. Babaria and Popky are no longer physicians in our facility. Our new authorized users are: Ernesto B. Go, M.D., Satish P. Shah, M.D., Ajay Munjal, M.D., Shailendra A. Desai, M.D., and Steven H. Rothfarb, M.D. All these physicians are currently authorized to use byproduct material in 35.100 and 35.200 – the categories permitted on our license – on **NRC license number 29-30836-01. Dr. Go, who is the Radiation Safety Officer on this license, will also be the Radiation Safety Officer for our facility.**

If you require additional information please contact me at your earliest convenience.

Sincerely,

John Munley
Vice President of Operations
