Subject: Re: FYI: AREVA centrifuge estimate

All they said in the letter was that they planned to submit the application in mid 2008. We are planning for the same 30 month review schedule.

>>> Melanie Galloway 04/24/2007 6:26 AM >>>
OK. What is the current schedule for this review?

>>> Brian Smith 04/23/2007 2:40 PM >>>
In our current estimate of resources, we are assuming that the electrical and I&C review would be done within FCSS and not by RES or NRR. We have not broken out the FTE by subject matter reviewer yet.
