yes, when you get back, we will make it fee billable, thanks for asking

Julie - please inform Sam that we will now be charging for our interactions with them. This is consistent with our previous and ongoing policy with other licensees, especially in the area of in situ leach and mills. Probably need to get the address for where the bills need to be sent and to whom.

Brian,

Should we open a docket number for AREVA NC, with TACs for pre-application activities?
