Dear Ms. Anter,

The AREVA presentation is available on the NRC's Agencywide Documents Access and Management System (ADAMS). The individual accession number for obtaining the slides is ML071650116. Also, the meeting summary is available at ML071720019. I've attached a pdf file for you. Please let me know if you need anything further.

comments: Could you please direct me as to where on your site I could find the AREVA's presentation on its enrichment facility? I have been told it is on your site, but I have been unable to locate it.
