Hello Tom,

This is the draft page I mentioned during our call.

In COLA space (not this submittal), I'm concerned about the statement on page 38 of the electronic submissions guidance document regarding hyperlinks to the Internet. If submittal documents have such links, will a disclaimer like the one at the top of the sample submittal page cover this, or do I have to ensure that those links are disabled in submittal files?

Thanks for your interest and assistance.
