Press release

Subject: PPL Corporate Management Changes

Discussion:

PPL Corporation has announced that Mr. Bryce Shriver, President, PPL Generation, will direct development of a comprehensive strategy for the company's nuclear power operation which will include an examination of the benefits of a third unit at Susquehanna, the possibility of PPL participation in other new nuclear power projects in the United States, the acquisition of existing nuclear plants, and a range of joint venture possibilities. In his new assignment, Mr. Shriver will continue to report to Mr. William Spence, PPL Chief Operating Officer. Mr. Spence will oversee the day-to-day operations of the company.
