Subject: Additional information for amendment request <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	
Summary:	<p>The request is to remove sealed sources from the license. Submitted documentation included waste transport permit and shipping documentation.</p> <p>I asked RSO to provide:</p> <ul style="list-style-type: none"> <li>a) documentation of receipt of sources by Barnwell (or other final recipient)</li> <li>b) documentation that sources were not leaking prior to shipment</li> </ul> <p>The RSO said the waste broker recently informed him by telephone that the sources reached their final destination. The RSO will now seek written documentation.</p> <p>[Note: I previously requested the same information in informal e-mails to the RSO on July 7 and July 24. The RSO's e-mail server appears to be blocking my messages. He will investigate this.]</p>
